

## Safehouse

Bladee

Money children, Gucci eyes, Disney vision  
Black magician, holy sword, evil spirit  
Secret mission, magic stones in my necklace  
Heal infection, Rainworld, shield protection  
True Religion, t-shirt, True Religion  
Young Bladee, riding around like a super villain  
Purple Prius, don't cross me like Jesus  
Night vision, I can see if they see us  
Leather jacket, living in cold conditions  
North Face 700, eternal wisdom  
Fuck the system, Rainworld, money system  
10 years of solitude made me independent

3 for my jeans when it's 50 off  
Barbwire black house, I got 60 locks  
3 for my jeans when its 50 off  
Barbwire house, I got 60 locks  
It's a safehouse, it's a safehouse  
It's a safehouse, it's a safehouse

I'm dressed up in keyrings, I'm smoking, I see things  
Rain King, no feelings, this timezone is evil  
Cartier Breitlings, I run with the lightning  
I'm in the sky, if he wanna die I will strike him
