

Special Place

Bladee

Drain Gang

Take a knife and Drain your life, hahaha
(Blood moon, black walls, I can't see at all)

Blood moon, black walls, I can't see at all
I'm in my special place
Back lake, blue pond, I hear the sirens call
I'm in my special place
No end, just grey, I let it go for days
I'm taking off my face
No start, just grey, I'm in my special place
I'm in my special place

Public display me, shame me, baby
I do it all for you, rate me
Lie and betray me, hate me, play me
I'll be whatever you make me

Always crying 'bout yourself, make me wet
I can be your pet, play dead
Can step on my neck, walk over my head
My eyes are red, Drain Gang, we triple threat
I stay in the night, I should go to bed (Drain Gang)
I'm playing with the meds, it's going to my head
Playing with the meds, it's going to my head
I'm playing with the meds, it's going to my head

Public display me, shame me, baby
I do it all for you, rate me
Lie and betray me, hate me, play me
I'll be whatever you make me
Public display me, shame me, baby
I do it all for you, rate me
Lie and betray me, hate me, play me
I'll be whatever you make me

I'll be whatever you make me (Hahaha, Drain Gang)
I'll be whatever you make me
I'll be whatever you make me
