

Spellbound

Bladee

Money got me spellbound
My crystals got you spellbound
All my music's gonna sell out
Hit the mall and I sunshine

Money got me spellbound
My crystals got you spellbound
All my music's gonna sell out
Hit the mall and I sunshine

Hit the mall and I sunshine, money got me spellbound
My crystals got you spellbound, all my music's gonna sell out

Prada Sport, Lamborghini doors, I'm prepared to fall
Snowboard on my MasterCard, I shine like a star
Coast guard, surf in Hollister, I'm in money world
Rainworld, I would get some pearl if I had a girl
Finish work, always in the dirt but it wash off
Hammer to the game, make it break like asphalt
Gucci on my belt, greenfield, playing Counter-Strike
Kush in my Nikes and I'm high and I'm in the night

Hit the mall and I sunshine, all my music's gonna sell out

Money got me spellbound
My crystals got you spellbound
All my music's gonna sell out
Hit the mall and I sunshine

Money got me spellbound
My crystals got you spellbound
All my music's gonna sell out
Hit the mall and I sunshine

Hit the mall and I sunshine, hit the mall and I sunshine
Hit the mall and I sunshine, my crystals got you spellbound
Hit the mall and I sunshine, hit the mall and I sunshine
Hit the mall and I sunshine, hit the mall and I sunshine
