

Sugar

Bladee

I will tell you the truth, I wanna take your youth
I wanna drink from you
Your blood tastes so sweet
Like sugar baby, like sugar baby

Demons say, "I deserve your DNA"
Be awake, forever for you I wait
It's okay, it's okay you go away
It might take a life to pay, pay it with the razor blade
Tell me what you want to say
I can't take the truth today, so tell me a fairy tale
Heavens say I'm on my way
I don't care what Heavens say, I'm waiting for your embrace

You don't want me, do you?
You don't want me, do you?
Know what I'll do to you
Wish I never knew you
I wonder what you do when I'm gone

Your blood tastes so sweet
Like sugar baby, like sugar baby
Your blood tastes so sweet
Like sugar baby, like sugar baby
