Saint George, these demons in me

Kill, kill, kill

This one, this one, this, I want this one

Gotta shine bright in this life, I'm the golden one

Pick one, next one, scream when the team won

Stress for a real one, slept with my jeans on

Nine's on top, yes, that's true, I'm the fool

Shield gon' lock, mmm, that's the truth (It's just the truth)

Rain won't drop until I say so, I'm the rain king, ayo

I'm nothing and that is true, who are you? Who are you?

If you look at me and say I'm not drainy

You lying, I'm the fool

Highly decorated, fully initiated (Drain Gang)

I guess I'm just the fool, I don't know anything

Confess, confess

Confess, confess

Confess, confess

Confess your sins

Saint George, these demons in me

Kill, kill, kill

Kill, kill, kill, kill, kill
