Bladee

Silicon based glue, which means it's not gonna add moisture to paper
This glue is amazing I've actually even repaired my car with it
This glue is...

Standing in the shadows, moving like a laser
Blessed by the maker, cut your neck with a razor
Ralph Lauren label, upgrade enabled
Safe house in Asia
Standing in the shadows, moving like a laser
Blessed by the maker, cut your neck with a razor
Ralph Lauren label, upgrade enabled
Safe house in Asia, blessed by the maker

White smoke in your face, change my location
Black skies coming down, change the arrangement
Fake conversation, neck with a razor
Blessed by the maker, safehouse in Asia
Watch her fall in the rental car, bodies on the wall
Five star in the hotel bar, 'bout to go to war
Five star, wanna upgrade, young Bladee, flame thrower
Blue tin can spraying blue flames, blue frames

Standing in the shadows, moving like a laser
