

URIEL OUTRO

Bladee

Blindly led, mildly stressed
Mindlessly, minding steps
Violent dread, comes instead
Helplessness, makes its bed
Stay a while, rest my head
Step by step, don't be scared
Don't worry, follow me
Spiraling
Endlessly

Uriel, somber life is amplified
Uriel, shining from the Otherside
Uriel, simplify the longer I
Pursue it, Gloria, Gloria

Uriel, somber life is amplified
Uriel, shining from the other side
Uriel, simplify the longer I
Pursue it, Gloria, Gloria
