It's your life
It's your choices
Follow your true heart
Say no
Smoking sunsets
Hold on to your shadow
It's your life
It's your choices
Follow your true heart
Say no
Smoking sunsets
Hold on to your shadow

I know a place with no time
I know what it's like

I don't wanna like his ghost
Feeling nauseous in my bones
This body won't hold my soul
Nobody will touch my soul
I'm not really feeling well
Almost can touch your clothes
Finally you feel so close
Holding on to let it go
I don't wanna like his ghost
Feeling nauseous in my bones
This body won't hold my soul
Nobody will touch my soul
I'm not really feeling well
Almost can touch your clothes
Finally you feel so close
Holding on to let it go

You and me
Feeling blear
Free from fear (Free, free from)
Almost real
You and me
Feeling blear
Free from fear
Almost real
Almost real
You and me
Almost real
Real as me

I don't wanna like his ghost
Feeling nauseous in my bones
This body won't hold my soul (Almost real)
Nobody will touch my soul
I'm not really feeling well (You & me)
Almost can touch your clothes
Finally you feel so close
Holding on to let it go
I don't wanna like his ghost
Feeling nauseous in my bones
This body won't hold my soul

Nobody will touch my soul
I'm not really feeling well (You & me)
Almost can touch your clothes
Finally you feel so close
Holding on to let it go

I don't wanna like his ghost
(It's your life)
Feeling nauseous in my bones
(It's your choices)
This body won't hold my soul
(Follow your true heart)
Nobody will touch my soul
(Say no)
I'm not really feeling well
(Smoking sunsets)
Almost can touch your clothes
(Hold on to your shadow)
Finally you feel so close
Holding on to let it go
