Girl you crazy
Girl you crazy
Girl you wrong
Girl you wrong
Girl you wrong
Girl you wrong
Girl you crazy
Girl you crazy

I'm just taking my time, being on my grind
So please don't tell me no lie
Baby where are you right now, I want you tonight
We can dance in the sky
Baby girl, this one is for you
Some news for you baby
Some truth for
Once you seen what I've done, seen who I've become
You might not be my number one

Girl you wrong
Girl you wrong
Girl you wrong
Girl you wrong
Girl you wrong
Girl you crazy
Girl you crazy
Girl you wrong
Girl you wrong
Girl you wrong
Girl you crazy
