My baby too bad Micheal Jackson triller
Anytime I want am she go pull up
Yes, I feel am

She dey drip steady like Aquafina
My baby too bad Micheal Jackson triller
Anytime I want am she go pull up

Step back
I just wanna kick it
Cos your ass fat
Been a couple minute
You ain't text back
I been out here chilling
I ain't sweat that
Just because you pretty
That don't mean that you could get that
Champagne bottles with some Xanax
Energy running low you on air max
I don't get it though
But Imma break it though

So tell me, baby, why you act so crazy
Like where the hell have you been lately
I just been on my Jay-Z
So baby, don't trip fi you my main ting
Put my pain in this ting, it's a painting
I been in my bag, it's the same thing
Staying true to myself, ain't no changing
So baby, turn up, turn up
She don't drink Bombay but she want sapphire
Live for the night like you is vampire
Light it up, light it up, you a bonfire
Rocking on my body like you is Aaliyah
Hmmm...
Back that ass in the club when I'm in that bitch
Pour that XO, I ain't talking hugs and kisses
Give in to the greatness
You know how we live this

Yes, I feel am
Yes, I feel am
She dey drip steady like Aquafina
My baby too bad Micheal Jackson triller

Yes, I feel am
Yes, I feel am
She dey drip steady like Aquafina
My baby too bad Micheal Jackson triller
