

Chillin'

Blaine Larsen

Ain't going to work, ain't going to class
going bare feet and kickin' back
gonna pacify my lazy bones ambition...Chillin'

I'm talking, jet skis and inner tubes
pretty girls with big ol' .. blue eyes and wet t-
shirts on the river

Just chillin'
Beatin' the heat of living
Drink to drink
Soaking up every minute
Got my thinking cap hanging on a scarecrow
Got my I don't care ducks in a row
and ain't no crime to kill a little time
Chillin'

Good ol' boys sitting on a rock
passing a jar and an old flat top singin' Seger, Cash, Bo Diddl
ey and Bob Dylan
Just a chillin'

Moon comes up and the sun goes down under candy fort bridge the
y're hangin' out
bunch of happy go luckies skinny dippin'

Yeah we're chillin'
Beatin' the heat of living
Drink to drink
Soaking up every minute
Got my thinking cap hanging on a scarecrow
Got my I don't care ducks in a row
and ain't no crime to kill a little time
Just Chillin'

Yeah we're chillin'
We're beatin' the heat of living
Drink to drink
Soaking up every single minute
Got my thinking cap hanging on a scarecrow
Got my I don't care ducks in a row
and ain't no crime to kill a little time
Chillin'

Yeah we're chillin'
