

## Burn

Blai\$y

Burnt out, faded, wake up, same shit  
Burnt out, faded, wake up, same shit  
Burnt out, faded, wake up, same shit  
Wake up, same shit, wake up

I'm in the matrix  
I'm going through the phases of disassociation  
Need more than a vacation  
Fuck the population and all the corporations  
Burn it all down, until they can't replace it

I don't think she love me no more  
I don't think she want me no more, never felt this before  
Fuck it, I don't want her no more  
I'm gonna walk through that door  
I'm gonna bounce, head out the house  
You won't see me around, 'cause I'm chillin' in the clouds  
This might be a dream, but I can't tell the difference  
Since 2015 I've been nothin' but indifferent, and I  
I don't know how to feel no more  
This world is so cold, I think I might fold

I'm in the matrix  
I'm going through the phases of disassociation  
Need more than a vacation  
Fuck the population and all the corporations  
Burn it all down, until they can't replace it

Damn, it's the same shit everyday  
Just some lame shit everyday (Same shit everyday)  
Why my thoughts like to replay?  
Like-like to replay, like-like to (Same shit everyday)  
I'm going through some changes  
All these new faces now my friends feel like strangers  
I was lookin' forward to the fame and the stages  
Now I don't care for blue faces  
Sad faces, everywhere I go  
Everywhere I turn to a point of no return  
Every turn I take ends up being a mistake  
I'll burn every bridge just to watch it all break (Fuck)  
I don't know how to feel no more  
This world is so cold, I think I might fold

I'm in the matrix  
I'm going through the phases of disassociation  
Need more than a vacation  
Fuck the population and all the corporations  
Burn it all down, until they can't replace it

Burnt out, faded, wake up, same shit  
Burnt out, faded, wake up, same shit  
Burnt out, faded, wake up, same shit  
Wake up, same shit, wake up
