

## Time Flies When Ur A Ghost

Blai\$y

Where did time go, who knows  
I guess time flies when you're a ghost  
Dodging all the people that I know  
I always got some feelings I don't show  
Where did time go who knows  
I guess time flies when you're a ghost  
Dodging all the people that I know  
I always got some feelings I don't show

Wait  
Wait wait wait wait  
Lemme chose my fate  
Demons I create  
Always drop the ball  
I always end up late  
You say that you love me  
I guess I can't relate

Ay  
I always got my woes all around me  
If I'm ever lost please don't find me  
I gotta learn to breathe when I'm drowning  
I gotta learn to see when I'm blinded

The ones I got I think I've had enough of them  
So I guess I gotta see about some other ones  
If I never hit you back I found another one  
But they never good as you I'm talking everyone  
I know everyone around me is a phony  
They hide behind they phone in a mask  
Teardrops on my jacket I'm so lonely  
I can't take it anymore so I ask-

Where did time go who knows  
I guess time flies when you're a ghost  
Dodging all the people that I know  
I always got some feelings I don't show  
Where did time go who knows  
I guess time flies when you're a ghost  
Dodging all the people that I know  
I always got some feelings I don't show

Pop one go to sleep  
I don't pop no beans  
I say Sincerely Adolescence  
That's not what I mean  
I'm only 19  
I know love ain't cheap  
Man I miss my brother  
When I think of you I weep  
This album is for you  
And everything I do  
I'ma make it up to you  
I always follow through  
I'm just with the crew  
And they all feel the pain  
Ever since you gone

Everyday it's 'gon rain

Where did time go, who knows  
I guess time flies when you're a ghost  
Dodging all the people that I know  
I always got some feelings I don't show  
Where did time go who knows  
I guess time flies when you're a ghost  
Dodging all the people that I know  
I always got some feelings I don't show

Where did time go, who knows  
I guess time flies when you're a ghost  
Dodging all the people that I know  
I always got some feelings I don't show  
Where did time go who knows  
I guess time flies when you're a ghost  
Dodging all the people that I know  
I always got some feelings I don't show
