

## Loose

Blake Babies

I took a record of pretty music,  
I went down and baby you can tell,  
I took a record of pretty music,  
Now I'm putting it to you straight from hell.  
I'll stick it deep inside,  
I'll stick it deep inside,  
'Cause I'm loose.  
I feel fine to be dancin' baby,  
I feel fine, I'm a shakin' leaf, wouh  
I feel fine to be dancin' baby,  
'Cause it's love, yeah I do believe.  
I'll stick it deep inside,  
I'll stick it deep inside,  
'Cause I'm loose.  
I took a record of pretty music baby,  
I went down and baby you can tell,  
I took a record of pretty music baby,  
.. Straight from hell.  
And I'll stick it deep inside,  
And I'll stick it, hey,  
'Cause I'm loose, 'cause I'm loose,  
'Cause I'm loose.
