

Not Just A Wish

Blake Babies

Not just a wish-bone place to go
And it's not a sunhouse though.
Oooo-oooo-oooo.

Not just a wish-bone place to play
At the end of your working day.
Oooo-oooo-oooo.

Not just a wish-bone place for flight
And a chance for something real this night.

Not just a wish-bone, show you hair,
Hats and picks and cold underwear.

Not just a wish-bone, some airs like mine
People say I'm bound to all the time...oooo.

Not just a wish-bone, find me some fun.
Food and booze for everyone.
Oooo-oooo-oooo.
Oooo-oooo-wah.
