

Over And Over

Blake Babies

(Neil Young Cover / Live)

At night when the sky is clear and the moon is shining down,
My heart goes running back to you,
I love the way you open up and let me in,
So I go running back to you,
Over and over again.
Over and over again my love,
Over and over again with you,
Over and over again my love,
Over and over again with you.
Remember the nights of love and that moment on the beach,
That wasn't really too long ago,
But we paid the price of time, and now it's out of reach,
And so the broken circle go,
Over and over again.
Over and over again my love,
Over and over again with you,
Over and over again my love,
Over and over again with you.
Over and over again my love, my love
Over and over again with you, you
Over and over again my love, love
Over and over again with you.
