

## Silence

Blake Lewis

I'm caught in the wave of your destruction  
Why can't you let me be?!  
I'm drowning in your guilty memory, oh yeah  
Just one taste of your seduction,  
Deceiving the sour for sweet  
Even when I'm gone I never leave

Darling, let me go  
Just let me know, can't take it no more  
I'm tired of fighting

Silence, ways turn me up  
'Cause you're never listening  
Silence is your confident  
Now you thought me your anything  
If I can make your heart believe  
Then I'm what's best for you  
There will be no silence  
And you'd start to care  
Yeah you wanted me silent!

Your eyes illuminate the fiction  
There's nothing I believe  
The words you speak, they don't mean a thing no!  
You're swimming seas of contradiction,  
The tide washed you out to me  
And you're the muse I can't taste to be

Darling, let me go  
Just let me know, can't take it no more  
I'm tired of fighting

Silence, ways turn me up  
'Cause you're never listening  
Silence is your confident  
Now you thought me your anything  
If I can make your heart believe  
Then I'm what's best for you  
There will be no silence  
And you'd start to care  
Yeah, you wanted me silent!
