

Hate the Rain

Blake McGrath

Woahh Woah Woah Woah
Woahh Woah Woah Woah

You know I hate the rain
Always threw in some day
And you'll never want to let me in (Never let me in)
And I'll admit I've done some things
But that don't mean it all the same
Cause today I was tryna make it clear

Cause your my heart and the moon
Like the stars shining through to love

And everytime I start to tell you it rains out to cover you
And I hate it I hate it I hate it when it rains you know with you
I can't stand the rain can't stand the rain
I can't stand the rain can't stand the rain

Tell me what I gotta do
Tell me what I gotta say (What I gotta say)
To give into you
To get into your heart again
I want you to be my lover (Lover)
Can't see myself with another (With another)
I need you're light I need you to shine for me
Cause everytime

And everytime I start to tell you it rains out to cover you
And I hate it I hate it I hate it when it rains you know with you

I can't stand the rain can't stand the rain
I can't stand the rain can't stand the rain

You got me drowning in your ocean baby
I'm reaching for your help in here just save me
I'm praying to the God's above to someone shine to save your love
And to pull me out of this tornado baby
This lonely river it goes on and on
And I know that I'm not meant to be alone
So can you play the sky and tell the rain goodbye
This is us to keep me at your own

I can't stand the rain can't stand the rain
I can't stand the rain can't stand the rain (Oh Ohhh)

And everytime I start to tell you it rains out to cover you
And I hate it I hate it I hate it when it rains you know with you (I hate it
)
I can't stand the rain can't stand the rain
I can't stand the rain can't stand the rain
And I hate it I hate it I hate it when it rains you know with you
I can't stand the rain can't stand the rain (I can't stand the raiiiinnn I c
an't stand the rain)
I can't stand the rain can't stand the rain
(Oh Ohhh)
