Blake McGrath

One, two, three

Dance with me, we're going out on a Friday night
Anywhere you wanna go, we'll skip the line
So come on, sugar, come on, honey
Tell me how to spend my money on you

'Cause I've been working real hard and I need to bust my dime
You can have it all when you looking that mighty fine
So come on, sugar, come on, honey
Tell me how to spend my money on you

'Cause that body deserves a Bugatti
That ass deserves first class
Selfies with Katy can kill it
Shout to Kanye and Kimmy
I'll give you everything that I've got
'Cause baby I hit the jackpot
Ching, ching, ching, bling bling

I see diamonds sparkle in your eyes
Let's take a champagne bubble bath in paradise
So come on, sugar, come on, honey
Tell me how to spend my money on you

Dress you up in Versace
'Cause that ass deserves first class
Selfies with Katy can kill it
Shout to Kanye and Kimmy
I'll give you everything that I've got
'Cause baby I hit the jackpot
Ching, ching, ching, bling bling

Throw that chat back
You bet we'll let you paint the town
Jump in that private jet
'Fore your love runs out
Ching, ching, ching, bling bling

'Cause that body deserves a Bugatti
That ass deserves first class
Selfies with Katy can kill it
Shout to Kanye and Kimmy
I'll give you everything that I've got
'Cause baby I hit the jackpot
Ching, ching, ching, bling bling
