

Levitate

Blake McGrath

Whoa-oh-oh, whoa-oh-oh, whoa-oh-oh, whoa-oh-oh-oh

You're standing on the mountain
Searching for yourself
Looking for the answers someplace else
(Answers someplace else) mmh-hm

It's all in your mind
Leave the lies all behind
You've got all you need inside
You're not bound to the ground
Take a step and you'll start to fly
'Cause now's the time

Levitate
Out of your mind
Grab hold of your heart
The power's inside of you
Levitate
You are the stratosphere
You have all you need right here

Levitate
Levitate

Rocket through the rain-cloud
Dancing in the streets
Can't deny the power
That sweeps you off your feet

It's all in your mind
Leave the lies all behind
You got all you need inside
You can lift up the floor
Let the spark in your soul ignite
'Cause now's the time

Levitate
Out of your mind
Grab hold of your heart
The power's inside of you
Levitate
You are the stratosphere
You have all you need right here

Levitate
Whoa-oh-oh, whoa-oh-oh, whoa-oh-oh, whoa-oh-oh-oh
(Levitate)

There's nothing between you and what you want
Hooked on a feeling, you got the love
Higher and higher, no time to waste
It's time for you fly, fly on

Levitate
Out of your mind

Grab hold of your heart
The power's inside of you
Levitate
You are the stratosphere
You have all you need right here
