

# Relax

Blake McGrath

The way you move it  
If you don't quit it I'm gonna lose my shit  
The way you do it  
The way you spinnin' I'm gonna lose it quick  
I wanna save it up  
Till I can drown you in a sea of love  
So baby soak it up  
When the rain is coming don't you miss a drop

Stop, wait a minute  
Slow down a little  
Cause I don't want to go yet blow this stop, wait a minute  
Slow down a little  
Cause I don't want to go yet baby relax

Don't do it, (slow down)  
Stop moving, (relax)  
Don't do it when I wanna come  
(Relax)  
Don't do it (lay back)  
Stop moving (relax)  
Don't do it when I wanna come  
When I wanna come

You musn't lose shit  
Last time we did it it wasn't like this  
You learned some new tricks  
Last time I hit it it didn't go like this

Stop, wait a minute  
Slow down a little

Cause I don't want to go yet blow this stop, wait a minute  
Slow down a little  
Cause I don't want to go yet baby relax

Don't do it, (slow down)  
Stop moving (relax)  
Don't do it when I wanna come  
(Relax)  
Don't do it, (lay back)  
Stop moving (relax)  
Don't do it, when I wanna come  
When I wanna come  
When I wanna come  
When I wanna come

Baby relax  
Don't do it (slow down)  
Stop moving (relax)  
Don't do it when I wanna come  
(Relax)  
Don't do it (lay back)  
Stop moving (relax)  
Don't do it, when I wanna come  
When I wanna come  
When I wanna come

When I wanna come

Relax

When I wanna come

Relax

When I wanna come

When I wanna come
