

Stage Fright

Blake McGrath

I know you thinking you probably heard it all before
Just close your eyes and let me lead you to the floor
Baby don't worry I promise I'll be by your side
And when you're getting ready take a deep breath and open your eyes

To get over your stage fright
Baby it's me and you tonight
So get over your stage fright (Of love)
Stage fright (Of love)
Stage fright (Of love)

Now I know you feel everybody's eyes on you
But just focus on me I'll be the one to guide you through
(Oooo) Baby I know you were made for this cause
There's still a show now
So don't hold your back baby let's go
Just sit back and let love take control

To get over your stage fright
Baby it's me and you tonight (You and me tonight)
So get over your stage fright (Of love)

Stage fright (Of love)
Stage fright (Of love)

You look so lovely, lovely
Oh baby you, you look so lovely, lovely

So let love take over here tonight, let go of your butterflies
So let love take over here tonight, let go of your butterflies
(Woah woah woahhh)

To get over your stage fright
Baby it's me and you tonight (Me and you tonight)
So get over your stage fright (Of love)
Stage fright (Of love)
Stage fright (Of love)

(Oh oh oh)
(Oh oh oh)
(Oh oh oh)
(Oh oh oh)
(Oh oh oh)
(Oh oh oh)
(Oh oh oh)
(Oh oh oh)

So let love take over here tonight, let go of your butterflies
So let love take over here tonight, let go of your butterflies
