

# Breakthrough Moon

Blake Mills

Enough of you  
Enough of the past already  
Sweep away clouds with a broom  
Breakthrough Moon

Enough of you  
Enough of the stacks of records  
Enough of the bride and the groom  
Breakthrough Moon

Your time is up  
Soon  
Breakthrough Moon  
The jig is up  
The joke is through already  
I've got an omen for you  
Breakthrough Moon

Your bouquet clutched  
You're grasping at straws already  
I'm gonna prove it to you  
Breakthrough Moon

Your time is up  
Soon  
Breakthrough Moon  
Your time is up  
Soon  
Breakthrough Moon
