

# If I'm Unworthy

Blake Mills

I've found a new meaning  
For the oldest words in use  
Now I no longer ask myself  
What have I got to lose  
If I'm unworthy of the power I hold over you

This line of thinking  
The wonders it can induce  
I'm twisted in my sheets now  
Look what your love can do  
What if I'm unworthy of the power I hold over you

Time before was wasted  
But with you life is not long enough  
I'll wrap you in my arms, babe  
I hope they'll be strong enough

My time before was wasted  
But with you life's just not long enough  
I'll wrap you in my arms, babe  
See if they're strong enough

What if I'm unworthy of the power I hold over you  
What if I'm unworthy of the power I hold over you  
What if I'm unworthy of the power I hold
