

Jelly Road

Blake Mills

Frog and Toad Together
Or even just the toad
Take a solo, honey
Let the honey flow
Speak to me in breadcrumbs
Speak to me in code
Tell me it again
About the Jelly Road

Jelly Road
Jelly Road
Jelly Road
Tell me it again
About the Jelly Road

Give me half the silver
You can keep the gold
You can take the buggy
I'll just take a stroll
But do me something, would you?
Please before you go
Tell me it again
About the Jelly Road

Jelly Road
Jelly Road
Jelly Road
Tell me it again
About the Jelly Road

Earth was like an Eden
(Jelly Road)
Everybody knows
The dinosaurs were happy
(Jelly Road)
Up until they froze
And though we've had some good times (Jelly Road)
This is what we chose
Tell me it again
