

## Suchlike Horses

Blake Mills

Let's pick horses!  
Cactus, kiss kiss  
Kite line, string time  
Untwine  
Bit of gold

Let's pick horses!  
Play with choices  
Parsnip voices  
Nights get nice and cold

Cut loose!  
Go go!  
Let fly the arrow  
Suchlike Horses  
Know  
Stable?  
Nah nah  
We'll be raging  
Like the firelight goes

Come close  
My love  
The archway is full of  
Trapped bird  
We helped go

Let's pick chances!  
Let's take choices!  
Off-trail courses  
Suchlike horses
