

# Dizzy

Blake Rose

You're like a 1980's old CD player  
The way you spin my head  
Am I dead or alive?

You rocked up in your retro fit  
Then you kissed my lips  
And you said "I don't wanna see you again"  
If I was Spiderman, baby, you'd be Zendaya

'Cause you're the only one that I can't get my head around  
It's makin' me dizzy now  
King of the game, you wear the crown  
My friends won't live it down  
Think I should know better now  
It ain't fair  
Baby, I can't figure you out, figure you out  
'Cause one minute, you're in  
The next, you're out  
Can't figure it out, figure it out  
Why I still stand it  
I'm too dizzy now  
(I'm so dizzy)

You drive an old Mercedes but won't waste paper  
Your favourite pop band's LANY but hate John Mayer  
(What? John Mayer's sick)  
(I know)

Oh, you walked up and you hit my cheek  
And you kissed your teeth  
And you said "Love, I hope I see you again"  
If you were Padme, I could be your Darth Vader

'Cause you're the only one that I can't get my head around  
It's makin' me dizzy now  
King of the game, you wear the crown  
My friends won't live it down  
Think I should know better now  
It ain't fair  
Baby, I can't figure you out, figure you out  
'Cause one minute, you're in  
The next, you're out  
Can't figure it out, figure it out  
Why I still stand it  
I'm too dizzy now

'Cause you're the only one that I can't get my head around  
It's makin' me dizzy now  
King of the game, you wear the crown  
My friends won't live it down  
Think I should know better now  
It ain't fair  
Baby, I can't figure you out, figure you out  
'Cause one minute, you're in  
The next, you're out  
Can't figure it out, figure it out  
Why I still stand it

I'm too dizzy now
