

# Good Old Boy, Bad Old Boyfriend

Blake Shelton

Baby baby baby  
He's got you cryin' again  
Baby baby baby  
He's got you cryin' again  
He's a Good Old Boy but he's a Bad Old Boyfriend.

I know that he loves you  
Looks like he'd show it now and then  
I know that he loves you  
Looks like he'd show it now and then  
He's a Good Old Boy but he's a Bad Old Boyfriend.

He kicks off his shoes throws down this coat  
Opens a beer grabs the remote  
Your never heard your seldom seen  
A joker don't deserve a queen

Baby baby baby  
Why don't you just get rid of him (Tell him to go)  
He's a Good Old Boy but he's a Bad Old Boyfriend. (That's right  
)

He makes you cry I'll make you laugh  
He rubs you wrong I'll rub your back  
Your never heard your seldom seen  
A joker don't deserve a queen  
Baby baby baby

Why don't you just get rid of him (Bye Bubba)  
He's a Good Old Boy but he's a Bad Old Boyfriend.  
He's a Good Old Boy but he's a Bad Old Boyfriend.  
Good Old Boy Bad Old Boyfriend.
