

I'm Sorry

Blake Shelton

You say you don't know what you were thinking
Well neither do I
And after the time we spent together
You think you deserve another try

Well girl I don't know what it is
That you're expecting
Just because you looked me in the eye

And say you're sorry
Oh you're sorry
You want it back the way it was
Well I'm sorry
Sometimes sorry
Just ain't good enough

You say you never meant to hurt me
Well that might be true
But do you really think I should forgive you
For what you put me through

Oh I remember every time you said you loved me
But I know now your love was just a lie

And you say you're sorry
Oh you're sorry
You want it back the way it was
Well I'm sorry
Sometimes sorry
Just ain't good enough

Oh girl I don't know what it is
That you're expecting
Just because you look me in the eye

And say you're sorry

Oh you're sorry
So sorry
And you want it back the way it was
Well I'm sorry
But sometimes sorry
Just ain't good enough
