## **Problems at Home**

**Blake Shelton** 

Fires are burning up the forests Down along the Amazon There's children starving in Guatemala They're just barely hanging on

## [chorus]

And I pray they'll find the answer
That there's a way to right the wrong
And Lord while you're listening
Could I mention some troubles of my own
I got problems right here at home

A teenage boy in Mississippi Brings his daddy's gun to school A little girl in New York City Buys cocaine for Mama to use

## [chorus]

My wife is crying; Our baby's fighting A battle that she may not win The doctor's doing all that he can God now it's all in your hands

And I pray they'll find the answer That there's a way to right the wrong

Now I'm just one man, a grain of sand
In a troubled world I know
But I've got a problem right here at home
I've got a problem right here at home
