## **Ready to Roll**

## **Blake Shelton**

Girl I've been at work all work Fingers to the bone I need A little hit of you and me A little time alone

All day I've been thinking about Quitting early, skipping out Hollin' ass to hit the couch And hang with you at home

We got some laid back country tunes on the radio We gonna burn all afternoon like its something to smoke We gotta whole lot of nothing to do and nowhere to go So baby I don't know about you but I'm ready to roll

Yeah

Let others fool go paint the town We'll just hold this sofa down Till Monday morning rolls around I'll tell you what let's do

You go grab those tater chips Ill whip up some party dip And well kick back and take a trip And sip a beer or two

We got some laid back country tunes on the radio We gonna burn all afternoon like its something to smoke We gotta whole lot of nothing to do and no where to go So baby I don't know about you but I'm ready to roll

Yeah we got some laid back country tunes on the radio We gonna burn all afternoon like its something to smoke We gotta whole lot of nothing to do and no where to go So baby I don't know about you but I'm ready to roll

Yeah I'm ready to roll Ready to roll
