

## Let It Snow

Blanca

It's that time of year  
Filled with smiles and joy and cheer  
Meet around the fireplace  
Feel the warmth of Christmas Day  
Everyone's at peace  
Gathering the family  
For the holiday is here to stay  
And the memories we create

This Christmas  
I got everything on my wish list  
There is only one thing that's missing  
Those snowflakes that glisten'  
So now we're caroling

Let it snow, let it snow, let it snow  
Let it snow, let it snow, let it snow  
Jingle bells I hear em' go, hear em' go  
Hear em' go, hear em' go  
Hear em' go, hear em' go  
See the houses full of twinkling lights  
And the trees covered in white  
So let it snow, let it snow, let it snow  
Let it snow, let it snow, let it snow  
Let it snow

Deck the halls with boughs of holly  
Everybody's laughing all night long  
'Tis the season to be jolly  
I can't wait to finally get back home

This Christmas  
I got everything on my wish list  
There is only one thing that's missing  
Those snowflakes that glisten  
So now we're caroling

Let it snow, let it snow, let it snow  
Let it snow, let it snow, let it snow, let it snow  
Jingle bells I hear em' go, hear em' go  
Hear em' go, hear em' go  
Hear em' go, hear em' go  
See the houses full of twinkling lights  
And the trees covered in white  
So let it snow, let it snow, let it snow  
Let it snow, let it snow, let it snow, let it snow
