

# Run To The River

Blanca

I run to the river  
Where my help come from  
Leave it all behind just come  
Let's go to the river  
Cause everybody need love  
Before the whole world dry up  
Why can't we just drown, drown, drown  
Let Your love pour down, down, down  
Let it flow to the river  
Oh, I run to the river

I can't be worried my pesos  
Or putting food up on the table, no  
Tryna be everyone's sunshine  
Always worried bout my halo, yeah  
I'm only human I can't forget  
It's the power in me that's my confidence  
So I won't ever let a day go  
From the moment that I wake

I run to the river  
Where my Help come from  
Leave it all behind just come  
Let's go to the river  
Cause everybody need love  
Before the whole world dry up  
Why can't we just drown, drown, drown  
Let Your love pour down, down, down  
Let it flow to the river  
Oh, I run to the river

I can be stressed out  
I can be so worried  
And I can hold my head down  
I can feel so sorry  
But I'm not like everyone else  
I put my hope in Jesus  
So even when the storms rage, that's okay

I run to the river  
Where my Help come from  
Leave it all behind just come  
Let's go to the river  
Cause everybody need love  
Before the whole world dry up  
Why can't we just drown, drown, drown  
Let Your love pour down, down, down  
Let it flow to the river  
Oh, I run to the river  
Cause I run to the river

It's in the water  
Your spirit fills my soul  
And it's in Your presence  
That I can be made whole  
I need You, I need You  
I need You, I need You, Oh

I need You, I need You  
I need You, I need You  
I'm going down  
I need You, I need You  
I need You, I need You, Oh  
I need You, I need You  
I need You, I need You  
I'm going down to the river

I run to the river  
Where my Help come from  
Let's go to the river  
Cause everybody need love  
I run to the river  
Where my Help come from  
Let's go to the river  
Cause everybody need love  
I run to the river
