

Uncovered

Blanca

I can see it in your face oh
You don't look at me the same no
I don't think that I can take it anymore
I'm thinking maybe I should lay low
All the cards are on the table
There ain't nothing left to say so I should go

He said she said I don't want no no games
You think that you know me cause you know my name
Spilling your opinion though I'm not asking
Cause you don't know me, no you don't know me

And it feels like ooooo
My head's underwater and I don't know what to do
Yeah it feels like ooooo
I walk through the fire
And everyone's watching too
And I, I am uncovered, I am uncovered
Oh why am I uncovered, am I uncovered
Yeah I, I am uncovered, I am uncovered
Oh why am I uncovered, am I uncovered

Can you see it in my face
That I can't carry all this weight
It's just too much for me to take, I'm not that strong
Feels like the world is watching every
Single move I'm trying to make
And I don't know anything I'm just hanging on

What about honesty
And transparency
I don't want to be an open book you read
Don't you see

And it feels like ooooo
My head's underwater and I don't know what to do
Yeah it feels like ooooo
I walk through the fire
And everyone's watching too
And I, I am uncovered, I am uncovered
Oh why am I uncovered, am I uncovered
Yeah I, I am uncovered, I am uncovered
Oh why am I uncovered, am I uncovered

It feels like ooooo
My head's underwater, what am I supposed to do
Feels like ooooo
I walk through the fire
And everyone's watching, everybody's watching me

And it feels like ooooo
My head's underwater and I don't know what to do
Yeah it feels like ooooo
I walk through the fire
And everyone's watching too
And I, I am uncovered, I am uncovered
Oh why am I uncovered, am I uncovered

Yeah I, I am uncovered, I am uncovered
Oh why am I uncovered, am I uncovered
