

Anna Dine

Blancmange

I've taken the earth wires
Off most of your plugs
The dead flowers are out on the garden table
There's a sink needs a refit
Downstairs and a new hot tap
Here's a question
I hope you can find the answer

Anna Anna dine with me?
Anna Anna dine with me?

Got new chairs for the bad news room
And there's a false door
That I found to next Tuesday
I've been developing Polaroids
On a dead letter day
The shit is on the foot of this father

Anna Anna dine with me?
Anna
Anna Anna dine with me?
Anna Anna dine with me?
Anna Anna dine with me?

I've taken the earth wires
Off most of your plugs
The dead flowers are out on the garden table
There's a sink needs a refit
Downstairs and a new hot tap
Here's a question
I hope you can find the answer

Anna Anna dine with me?
Anna
Anna Anna dine with me?
Anna
Anna Anna dine with me?
Anna
Anna Anna dine with me?

I still feel we're connected
I still feel we're connected
