

# Drive Me

Blancmange

Tell me did you see her?  
Tell me did you know her?  
Did you ever pick her brain?  
Learn the concept of her game?  
Tell me did you go there?

Did you really meet him?  
Did he have a moustache?  
Was he wearing make-up?  
Drinking from a tea cup?  
Tell me did you know him?

Drive me to your home  
Take me to your home  
Drive me to your home  
Take me to your home  
Drive me to your home  
Take me to your home  
Drive me to your home  
Home home

In the precinct after dark  
Alabaster leg on concrete  
Curry in a pint glass  
Sodium at half mast  
Tell me did you go there?  
Did you share a secret?  
Make a promise  
Can you keep it?  
Fumble in the dark  
Poison pigeons in the park  
Tell me did you go there?

Drive me to your home  
Take me to your home  
Drive me to your home  
Take me to your home  
Drive me to your home  
Take me to your home  
Drive me to your home  
Home home

Did you share a table  
At Quaglino's place or Mables?  
To shelter from the storm  
Did the coffee keep you warm?  
Tell me did you go there?

Tell me did you see her?  
Tell me did you know her?  
Did she ever pass you by?  
Ever ask you why?  
Tell me did you go there?  
Drive me to your home  
Take me to your home  
Drive me to your home  
Take me to your home

Drive me to your home  
Take me to your home  
Drive me to your home
