

## Duo

## Blancmange

All the bins were out  
On all the streets  
On the night we planned to meet

Cardboard boxes  
Surfed out of control  
When are they in?  
Beer bottle rock n roll n all

I'd guessed you'd thought to cancel  
Following my behaviour  
I'd guessed you'd thought to cancel  
Following on from my behaviour

All the bins are out  
All the bins are out  
All the bins are out  
All the bins are out
