

Endless Posts

Blancmange

Got to find
Got to find you
A way through
Got to fight to stay away
Not in or out of this system
Nor of this earth

Emotion I have one
Emotion I have one

Got to find
I got to find out
Way under got to fight
Stay away

Endless posts
Strung out
Threads towards
Your vanishing point
My arrival met
Tumbleweed down ooh
Out of the blue
Nor of this earth
