

Gratitude

Blancmange

A part of me
Feels
I should be grateful
Why?
A part of me
Feels inside
I should be grateful
I ask you why
A part of me
Feels inside
A part of me feels I should be grateful
Tell me why

Gratitude
Chemical gratitude
Gratitude
Chemical love affair

A part of me
Feels
I should be thankful
A part of me
I should get thankful
Tell me why
T tell me why
Tea time
Tell me why
It's tea time
Tell me why
Why? Why? Why?

Chemical love affair
Chemical love affair
Chemical love affair
Gratitude everywhere

The swings in the dark
Observers in a park
The ravens whispering
Sweet nothing, sweet something

Tell me why
Tell me why
Chemical love affair
Chemical love affair

Tell me why
Tell me why
Chemical love affair
Chemical love affair

A part of me
Feels
I should be grateful
Why?
A part of me
Feels inside

I should be grateful
I ask you why
