

I Smashed Your Phone

Blancmange

I smashed your phone tonight oh joy
The consequences will reverberate
Until eternity I'm told
I smashed your phone tonight oh joy

I smashed your phone
Outside Yordas Cave
I smashed your phone
Splintering fragments
Like in an Arthur C. Clarke

I tore your world apart last night
In anger teeth revealed
The ageing process cannot be denied
I tore your world apart last night

I smashed your phone
Outside Yordas Cave
I smashed your phone
Splintering fragments
Like in an Arthur C. Clarke

Has it happened? Head throb confused
If we can't recognise it - indeed you did
How will I know? Undone indeed
It hasn't happened, it hasn't happened

I smashed your phone
Outside Yordas Cave
I smashed your phone
Splintering fragments
Like in an Arthur C. Clarke

I smashed your phone
Outside Yordas Cave
I smashed your phone
Splintering fragments
Like in an Arthur C. Clarke
I smashed your phone
Outside Yordas Cave
I smashed your phone
Splintering fragments
Like in an Arthur C. Clarke
I smashed your phone
Outside Yordas Cave
I smashed your phone
Splintering fragments
Like in an Arthur C. Clarke
