

# I Want More

Blancmange

Everybody plays a game  
We don't have to say the name  
Every day come sun or rain  
Boy's and girls just ain't the same

I don't have to say no more  
You know what I'm aiming for  
Don't care if I break the law  
I want more and more and more and more

Everybody plays a game  
Boy's and girls just ain't the same  
You know what I'm aiming for  
I want more and more and more and more  
And more and more and more and more  
And more and more and more and more  
And more and more and more and more  
And more and more and more and more

And more and more and more and more  
And more and more and more and more  
And more and more and more and more  
And more and more and more and more  
And more and more and more and more  
And more and more and more and more  
And more and more and more and more  
And more and more and more and more
