

It Didn't Take Long

Blancmange

I got a thing or two
I'd like to say to you
It won't take long
It won't take long
About the things I'd said
I kind of lost my head
It didn't take long
It didn't take long
It didn't take long, no
No longer than this song

You got your own ideas
And I just feed those fears
It didn't take long
It didn't take long
It didn't take long, no
No longer than this song

I'm not sorry
I'm not sorry
I'm not sorry
I hurt you
I'm not sorry
I'm not sorry
I'm not sorry
I hurt you

And I still chip away at
No matter, come what may
It didn't take long
It didn't take long
It didn't take long, no
No longer than this song
