

## Judge Mental

Blancmange

I googled you  
Then I googled myself too  
I thought maybe my phone is on silent  
Inside I feel just the same  
Same and just  
That's how I'm feeling  
Through Chinese whispered grapevines  
I deduce all is well  
Inseparable of the words  
More ice on my ego  
The judge is mental

Inexperience  
Wisdom  
It wasn't [?]

I did, I googled you  
Then I googled myself too  
I thought maybe my phone is on silent  
Because inside I feel just the same  
Same and just  
Inside I feel just the same  
Just  
That's how I feel  
Through Chinese whispered grapevines  
I deduce all is well  
Inseparable of the worlds
