

Leaves

Blancmange

I never thought I'd see you
Never thought I'd see you cry
I never thought I'd hear you
Never thought I'd hear you tell a lie

All the leaves are falling
17 million maybe more

I never thought I'd see you
Never thought I'd see you leave
I never thought I'd hear you
Never thought I'd hear you cry

All the leaves are falling
17 million maybe more, maybe more
