

My Baby

Blancmange

No time to get things out at all
No time to get things out at all

My baby's going 'round the bend
My baby's going crazy
My baby's got a face like a long-wept Sunday
She's going...
Baby...
Oh no, no, my baby...

She bought me flowers [?]
Ask me questions [?]
She says [?] on the ugly side
My baby so unkind

My baby's going 'round the bend
My baby's going crazy
My baby's got a face like a long-wept Sunday
She's going...
Baby...
Oh no, no, my baby...

I wanted you [?]
I'm asking [?]
...

My baby's going 'round the bend
My baby's going crazy
My baby's got a face like a long-wept Sunday
She's going...

My baby's got my heart
But she ain't got my blood
My baby, can we do it all again

I gave you thousands of dollars
You gave a whole lot away
To the fire brigade
To the fire brigade

My baby's going 'round the bend
My baby's going crazy
My baby's got a face like a long-wept Sunday

My baby's going 'round the bend
My baby's going crazy
My baby's got a face like there's no tomorrow
She's going [?]
