

Not Really (Virtual Reality)

Blancmange

I took the dog up on the moor
We walked across to old aggie's
In that cold we drank that rum
In these veins found fools gold

I looked out, I looked down
From a house yet to be built
I took you on and missed the boat
Seconds out in time in space

Sitting here in uneasy chair
Rifle through black dog back log
I took you on and missed the boat
Seconds out in time in space
