

## Reduced Voltage

Blancmange

Boy, am I tired  
There's no reason why  
Ended by me  
Boy, am I tired  
There's no reason why  
Brand new model  
Don't know quite why  
Boy, I'm tired  
There's no reason why  
It started with you  
Ended by me

You reduced it  
You reduced the volume  
You reduced it  
You reduced the voltage

Boy, am I tired  
Don't quite know why  
Brand new model  
Don't ask

You reduced it  
You reduced the volume  
You reduced it  
You reduced the voltage

By flicking the switch  
I can take it  
By turning the dial  
Make it  
Reducing the power  
Boy, am I tired  
Reducing the voltage  
God knows why

Brand new model  
Started by you  
Brand new model  
Started by me

Boy, am I tired  
Boy, am I tired

You reduced it  
You reduced the volume  
You reduced it  
You reduced the voltage
