

Sleep with Mannequin

Blancmange

Sleep with mannequin
Confront the set again
Under bridges in Antwerp
And one-way by lil' euro

Fire in ashtray
Invoice in out-tray
Sleep with mannequin

Sleep with mannequin
In budget hotel again
On outskirts of coastal towns
What's not known won't hurt

Less said soonest mended
Never mind it'll pass think on

Oh Laudanum help us
Deliver an opiate of the people of the people

Sleep with mannequin
Confront the set again
Under bridges in Antwerp
And one-ways by lil' euro

Fire in ashtray
Invoice in out-tray
Sleep with mannequin
