Wasting my days away
Wasted time
Waiting for you
Waiting for me
I've waited so long
I've waited so long
For your decision
For your decision

For your decision
For your decision

Wasting my days away
Wasted time
Looking at you
Looking at me
I see you now
Who's the fool
Who's to blame
We're all the same

Who's the fool
Who's to blame

Wasting my days away
I wasted time
I see you now
Who's the fool

I see you now
Who's the fool
Who's to blame
We're all the same

Wasting my days away
Wasted time
I see you now
Who's the fool
Wasting my days away
I wasted time
Down we go
And I'll go with you
