

# Bad Man

Blanco Brown

I got diamonds round my neck  
Diamondbacks up on my vans  
Diamonds in my ears  
Cause I'm a bad man  
Baby I just bought a spaceship  
That I don't know how to land  
But damn I feel good  
Cause I'm a bad man

Je-Je-Jesus Christ  
God been blessing me real nice yeah  
Riding high He put a lift on my life yeah  
Prayers answered through the grind and sacrifice  
If I wanted it I go get it what's a price oh oh oh  
Every little thing that I've dreamed of  
Rolexed up in a big truck  
Versace sheets I wake up in  
In my top trans I be in the wind  
My old school cost more than your new school (facts)  
Johnny Cash bumping through the hurst roof

I got diamonds round my neck  
Diamondbacks up on my vans  
Diamonds in my ears  
Cause I'm a bad man  
Baby I just bought a spaceship  
That I don't know how to land  
But damn I feel good  
Cause I'm a bad man

Take me back to wearing them Reeboks and I owned a couple G-Shock's  
Used to sell candy bars then I flipped that to cars  
Always been good in the hood so nobody had to starve  
Momma taught us that we had to get it out the mud  
Jumping off in the latest drip  
Gotta keep it going made her bite 'er lip  
Got the biggest bag on this dayshift  
Look my charm it'll give you a facelift  
Peep my arm no that ain't no bracelet  
That's the remote to the spaceship  
They all wanna be like me (Atlanta)  
Living this country boy dream

I got diamonds round my neck  
Diamondbacks up on my vans  
Diamonds in my ears  
Cause I'm a bad man  
Baby I just bought a spaceship  
That I don't know how to land  
But damn I feel good  
Cause I'm a bad man

Now I lay me down to sleep  
I pray the lord my soul to keep  
And if I should fly before I wake  
I pray the lord my soul to take
